### Purpose

The purpose of this policy and procedure is to outline OUR INSTITUTE’s approach to ensuring students are provided with credit for units of competency and/or modules where they are evidenced by:

- AQF certification documentation issued by another RTO of AQF authorised issuing organisation such as a university
- Authenticated VET transcripts issued by the Registrar.

Course credit may also be awarded for RPL. The process for RPL is included in *TA7 Training and Assessment Policy and Procedure*.

This complies with Clause 1.12 and the Standards and the National Code of Practice for Registration Authorities and Providers of Education and Training to Overseas Students 2018 standards 2, 3 & 6.

The recording of course credit is addressed in the *SCI38 Student Administration Policy and Procedure*.

### **Policy**

1. OUR INSTITUTE will not require any student to repeat any unit or module which they have already been assessed as Competent unless there is a license condition or regulatory requirement that requires this.
2. All students will be offered the opportunity to apply for credit for previously completed studies during the enrolment process. Credit can be accessed by a student by completing the Credit Application Form and submitting relevant supporting documents.
3. Where a student can provide certified copies of AQF certification documentation issued by another RTO or authorised issuing organisation, OUR INSTITUTE will provide credit for that unit or module.
4. Where evidence has been provided of previous study being completed at another RTO, university or other authorised issuing organisation, an analysis as to the equivalence of study completed with the relevant units in the student's enrolment with OUR INSTITUTE will be undertaken.
5. All evidence provided as part of an application for Credit will be authenticated by contacting the organisation that issued relevant documents to confirm the content is valid.
6. Credit will not be issued where there is a licensing or regulatory requirement that restricts the issuing of Credit.
7. Students will be advised of the outcome of the Credit Application in writing and must accept the credit awarded. Where credit is applied for and approved at the time of application, the course credit will be written into the student's letter of offer and written agreement. This may result in a reduction of the Course fees.
8. Where credit is provided after the acceptance of a place in a course or on commencement of studies and the credit will affect the duration of studies, this is recorded in PRISMS and a new CoE created.
9. Where there is significant Credit granted, this may result in a reduction of the Course fees which will be advised at the same time.
